In partnership with the Taiwanese American Citizens League, the Global Leadership Organization will be held at UCLA from April 25-27. Hosted in other cities worldwide, including NYC, Berkeley, Austin, and near Taipei, Taiwan, it's finally coming to Los Angeles. From GLO, "We strive to congregate those with a proven track record of service and leadership for the community, enhance their skill sets to be more effective, and use this training platform to transform the community. Our philosophy is simple. When we have enough people that BELIEVE the world NEEDS to be better, we have enough people that WANT to make the world better, and we deliver SKILLS to those people to MAKE the world better...  
...We believe the WORLD BECOMES BETTER."
