Afterwards, we enjoyed a delicious lunch at [Stonefire Grill](#) with our new hiking buddies. We hope to see you all out at our next Health and Wellness event!

Most importantly, we are honored to have a young and promising gentleman as our keynote speaker! Ever wonder how he became the CEO of a multi-million dollar company at young 30s? As a former Stanford graduate, what are the things he did that lead to his success? You definitely do not want to miss his story!

This event will also provide a perfect opportunity to see old friends, to network with new business contacts and successful business leaders in our local community. In addition, not only will we cap off a productive year, we will also be electing our new President. We cordially invite you to join us in this can't-miss event!
